

COMPANY PROFILE

JJM MINING

MINING SERVICES & PLANT RENTAL

COMPANY PROFILE

OUR MISSION

Our goal is to be the preferred Service Provider, and partner, for Open Cast Mining and Plant Rentals, ensuring safe production for our clients. We aim to be an employer of choice by offering a safe, progressive, inclusive, and respectful working environment for all employees.

ABOUT US

We are a 100% Black Owned Company and a Level 1 BBEEE Contributor. Our main focus is on meeting the client's requirements, within budget and on time. We offer plant with low hours at affordable rates. We are best known for the quality of our machines. We pride our mining services on consistently providing top class machinery to our clients.
